

ALVAS FLOOR MOUNT BALLET BARRE FRAME SPECIFICATIONS

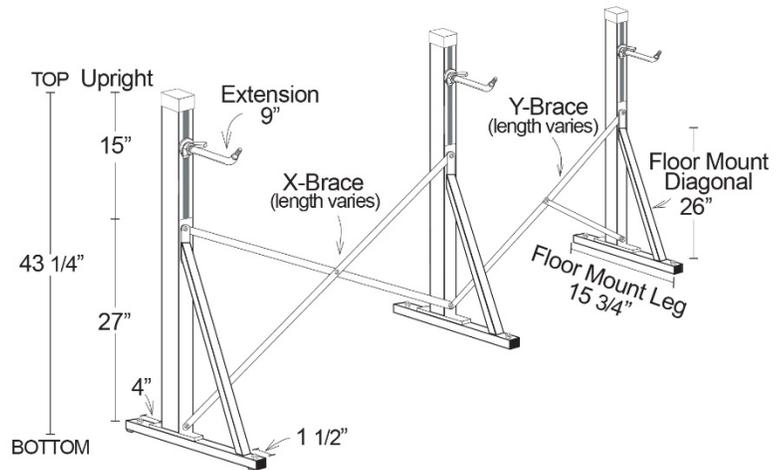

(For 4', 6', 7'10" & 10' Barres)

ALL DIMENSIONS ARE APPROXIMATE

(For 14' & 16' Barres)

ALL DIMENSIONS ARE APPROXIMATE

Alvas Floor Mount Frames are strong, sturdy, durable, easily adjustable, and permanent. They have cross stabilizers to reduce wobbling and allow the barre approximately 31" – 45" of height adjustment. Each barre can be on opposite sides of the frame, or on the same side.

The FM Legs, Diagonals and Uprights are made of steel with a bright chrome finish and the X and Y-Braces are made of steel with a high gloss white finish. The caps on the top of the Uprights are white.

It can convert into a Floor Mount Frame For Two Barres by adding a purchased Extension Units and an additional barre (Ballet Barre not included).

They include bolts, square nuts, wing nuts and washers. Lag Bolts are included; however they may not be appropriate for all types of floor installations.

SPACING FOR BRACKETS (STANDARD BARRES)

The standard spacing for brackets are designed for Traditional Ballet use.

Barres used for ballet are generally used for balance only.

4' Barre:	2 brackets spaced 32" apart (8" overhang)
6' Barre:	2 brackets spaced 48" apart (12" overhang)
7'10" Barre:	2 brackets spaced 64" apart (15" overhang)
10' Barre:	2 brackets spaced 80" apart (20" overhang)
14' Barre:	3 brackets spaced 64" apart (20" overhang)
16' Barre:	3 brackets spaced 80" apart (16" overhang)

SPECIFICATION DISCLAIMER

Alvas Barres Floors Mirrors (“Alvas”) encourages customers to have all Alvas products professionally installed and maintained by an experienced and licensed contractor. Alvas provides product specifications for clients' information and convenience only. Alvas cannot and does not make any representations, warranties or guarantees with respect to the specifications of Alvas products or the accuracy thereof.

If you believe that a particular product does not meet the specifications provided or are unsure, please contact Alvas immediately. Failure to do so may adversely affect your rights under Alvas' claims and return policies.

Improper installation, care or maintenance of any barre, floor, mirror, or other Alvas product may invalidate the product's warranty or guarantee, if any. Alvas reserves the right to deny customer claims made pursuant to any such warranty or guarantee if Alvas determines the damage or defect to the product is the result of improper installation, care, maintenance or use of the product.
